VYPANEL-CL

Cleanroom Panels

DESCRIPTION

Factory-made panels with smooth, cleanable facings for controlled-environment partitions and ceilings.

BENEFITS

- Smooth surfaces
- Modular assembly
- Joints designed for sealing

APPLICATIONS

- Cleanrooms and laboratories
- Pharmaceutical facilities
- Electronics production areas, subject to project qualification

INSTALLATION

- Install with compatible tracks or framing.
- Align panel joints.
- Seal all seams, corners and service openings to the room design.

STORAGE & SHELF LIFE

- Store in original packaging in a dry, covered area.
- Protect from moisture, direct sunlight and physical damage.
- Support packs evenly and follow the supplied stacking and handling instructions.

DIMENSIONS & PACKAGING

Parameter	Value
Core	To be confirmed for the selected grade
Facing	To be confirmed for the selected grade
Panel thickness	To be confirmed for the selected grade
Edge detail	To be confirmed for the selected grade
Panel width	To be confirmed for the selected grade
Cut length	To be confirmed for the selected grade
Packaging	To be agreed with the order

TECHNICAL DATA

Property	Value / status	Test method
Fire performance	To be confirmed	To be agreed
Load and span capacity	To be confirmed	To be agreed
Surface cleanability	To be confirmed	To be agreed
Joint airtightness	To be confirmed	To be agreed
Cleanroom system qualification	To be confirmed	To be agreed

Performance values and test methods have not been supplied for these grades. Confirm the selected product specification and supporting test data before project approval.

SPECIFICATION NOTES

Cleanroom classification and fire performance require system verification; panel selection alone does not establish room classification.
